# Homecoming '72

Marion College was about due for some new happenings around Homecoming time. A parade is great but it gets a little old, so a canoe race down the "mighty" Missisinewa was planned. Everybody who'd ever held a canoe paddle got drafted to represent an organization or their class. Starting at Matter Park, the finish line was ten miles away at the Charles Mill Dam. Lynn Richards and Bud Dunlap soon left their competitors far behind; although they got caught in a tricky current while trying to cross the finish line backwards, they were the undisputed victors.

Most people were there to see the soccer game with I.U. Tension had been building up ever since it had been scheduled. As expected, the contest was physical, nerve-shattering (for the shivering but enthusiastic fans), and very close. A goal kicked in by Gordon Acton put Marion ahead 1-0 at the half, but a tied score at the end of the second half called for an overtime, and unfortunately, the wrong team ended up on the bottom of the 2-1 talley.

Booths replaced the traditional floats, and along with a skydiving performance at the half, Homecoming '72 was unusual and certainly one to be remembered.

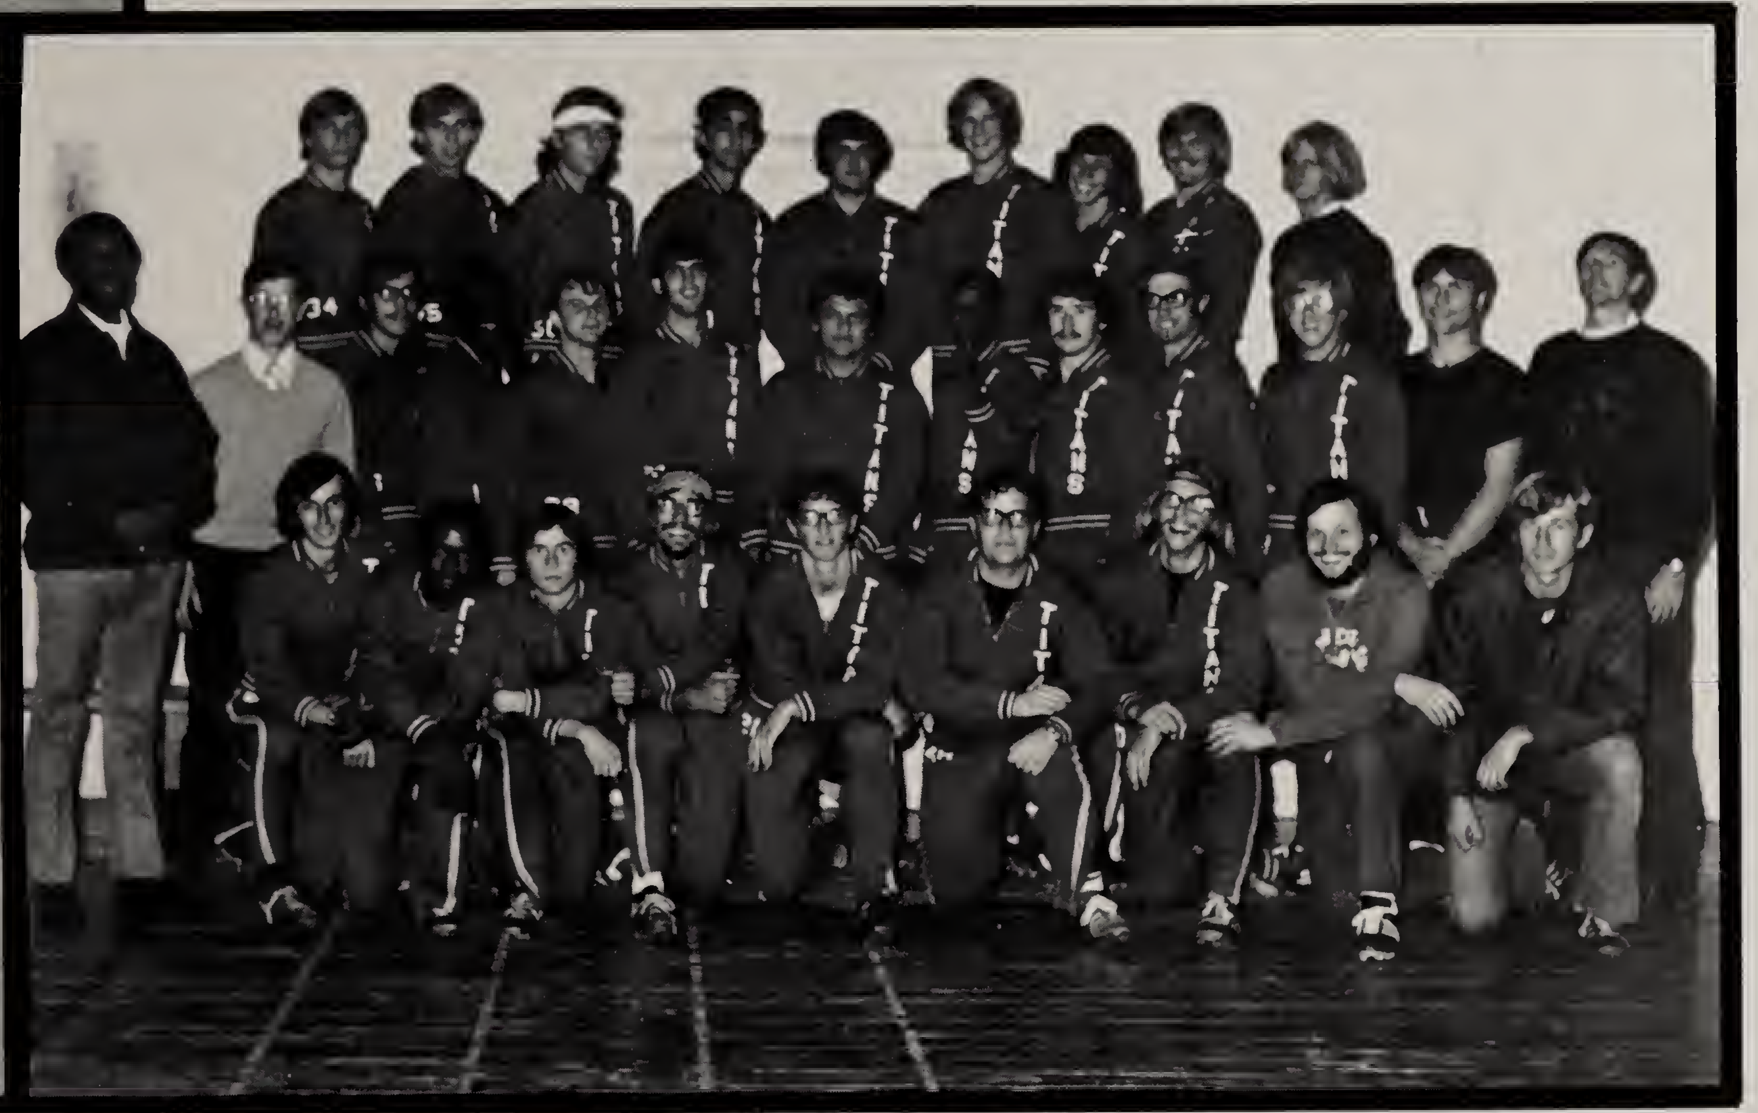
# Soccer

SOCCER — Total goals scored: Marion 41, Opp. 18. Shots on goal, Marion 595, Opp. 257. Record for the 1972 season: 8-2-2.

Statistics alone spell out the success of Marion College's own "Big Red Machine." Coach Mills and Co. have developed 4 straight winning seasons out of only 4 intercollegiate campaigns. During this time, they have chalked up 34 wins against only 10 losses, a record of which to be proud.

The '73 season looks equally exciting, as the Titans open up against Purdue University, and once again do battle with I.U. Just remember, this time I.U. — "Who's gonna win? We are."



SOCCER TEAM — *FRONT ROW:* Gordon Acton, Moses Baryoh, Terry Richey, Jon Campbell, Steve Jamison, Bud Grinder, Ron Campbell, Jay Clark, Stan Rickard. *SECOND ROW:* Jr. Solomon, Merle Spilger, Phil Klatt, Erie Konoyima, Tim Massie, Larry Hobbs, Daniel Barajas, Sorie Kanu, Dan Justus, Larry Liggitt, Glenn Jefferies, Roy Bielewicz, Coach Mills. *BACK ROW:* Steve Cooley, Kent Peterson, Dave Thomas, Mike Wagner, Dick Winstrom, Mike Henderson, Tim Keith, Roy McCarter, Tim Fisher.

CROSS COUNTRY — The '72 season was to be one of building and adding depth. That it was, and more. Titan harriers such as sophomore Duane Drake and freshman Jeff Davis among others, combined talent and determination to produce an outstanding 7-1 record. One of the many encouraging aspects of the '72 effort was the strength supplied by freshmen and sophomores. To a pleased Coach Barry May, and all Titan fans, that is a bright, optimistic note for the future.

Wyatt, Gary Green, Jim Duecker, John Rockey, Butch Shockey, Dave Best, Paul Ver Lee, Lloyd Woodard, and Profs. Craig Moore and Maurice Burns.

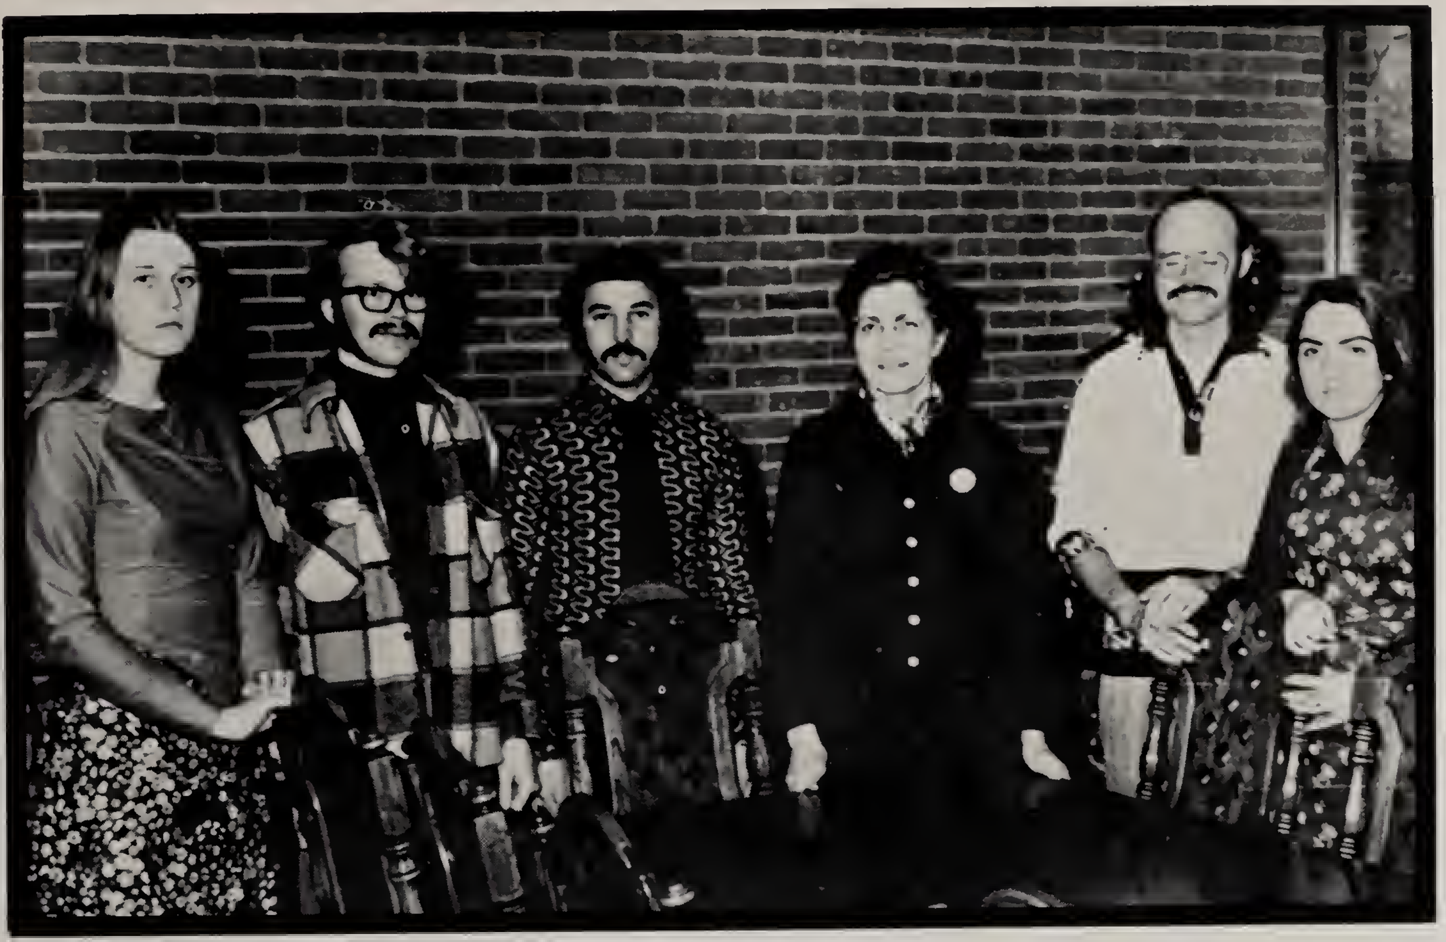
# I.S.A. Sponsors International Weekend



The International Student's Association is dedicated to bringing people of different cultures together to promote greater appreciation for one another. I.S.A. put together a winning booth for Homecoming which showed the countries represented by MC students and faculty. International Weekend brought to Marion's campus students from other colleges and universities to participate in a variety program for Expression, and featured a banquet of international foods. Several hundred elementary and junior high school children visited the exhibits and heard talks on the countries represented.

"And I pray that Christ will be more and more at home in your hearts, living within you as you trust in Him. May your roots go down deep into the soil of God's marvelous love; Now glory be to God who by his mighty power at work within us is able to do far more than we would ever dare to ask or even dream of — infinitely beyond our highest prayers, desires, thoughts, or hopes."

My object in life is to unite

For Heaven and the future's sakes."

1973 MARIONETTE

Man received the imprint of God's own image at the time of creation. While the full import of this nature of man may remain a mystery there are some aspects that have been revealed to us.

"God is Love" brings a concept that has an important meaning for all of us. As persons created in God's own image there should be some manifestation of love in our lives. This is especially true for all "born again" by the redemptive work of Christ. Actions prompted by love and carried out in the spirit of love should be common among us.

Marion College is committed to the education of the individual for service. Four years on our campus should bring about an improvement of the person. Many will add to personal development a professional competence in teaching, ministry, business, nursing or another area. Both the personal and professional education need the infiltration of the spirit of love.
